Continuation of 10. Other (including any explanation in support of the above items): Regarding box 6, the Applicant has listed three separate Grounds of Rejection on page 5 but does not provide three separate headings indicating the grounds being argued in the Argument sections.

Regarding box 8, the Applicant refers to the Declaration of Dr. Paul N. Dunlap in the Appeal Brief but has not provided the evidence in the evidence appendix. 37 CFR 41.37(c)(1) states,

"Any appendix containing copies of any evidence submitted pursuant to 1.130, 1.131 or 1.132 of this title or of any other evidence entered by the examiner and relied upon by appellant in the appeal, along with a statement setting forth where in the record that evidence was entered in the record by the examiner. Reference to unentered evidence is not permitted in the brief. See 41.33 for treatment of evidence submitted after appeal. "

If Appellant has previously timely submitted the evidence referred to above, Appellant should provide a copy in the evidence appendix and a statement of when the evidence was entered by the examiner. If the evidence referred to above, has not been previously entered Appellant should consult 37 CFR 41.33 and/or remove the reference to unentered evidence for the appeal brief..
